

Report On Lets Donate Book- A Book Donation Drive
Date- 17/10/2025
Venue- Open Stage, Namrup College

The Women Studies and Development Cell, in collaboration with the Namrup College Central Library, The Internal Quality Assurance Cell (IQAC), Institution's Innovation Council(IIC) and the Namrup College Students' Union, organized a book donation drive titled "Let's Donate Book" on 17th October 2025. The event aimed to foster a spirit of sharing knowledge and promoting the habit of reading among students. The book donation drive was launched under the inspiring motto "Let's Donate Book." As a symbolic tribute to the famous quote by singer Zubeen Garg, "A nation without books cannot be sustained even by a Gamosa", Namrup College initiated this event as a step towards promoting book exchange and nurturing a reading culture.

Proceedings of the Event

The programme commenced at 9:00 a.m. during the morning assembly at the Open Stage of Namrup College. The event was hosted by Ms. Parismita Bora, Librarian, Namrup College, who warmly welcomed all faculty members, and students present on the occasion and started the program with a quote " KitabNuhua Jati atak Gamusai Jiyai Rakhibo Nuware" said by Beloved Mr Zuben Garg.

The inaugural and welcome speech was delivered by Dr. Durga Prasad Gogoi, Principal of Namrup College. In his address, he highlighted the importance of reading and how books play a vital role in shaping an individual's personality and intellect. He also appreciated the joint initiative taken by various cells and the students' union for such a noble cause.

Following this, Dr. Chabi Gogoi, Director of the Women Studies and Development Cell, elaborated on the objective of the programme. She highlighted the difference between digital learning and book-based learning, emphasizing the reliability and authenticity of printed books. Encouraging students to rediscover the "fragrance of books,". In her Speech she also mentioned that in the coming phases, the Organizing team has plans to organize a series of activities aimed at transforming book reading into a lasting cultural practice among the younger generation.

Collection and Outcome of the Program

In the initial phase itself, 104 books were donated by various members of the college fraternity. The collection will continue in the coming days. The books collected will be distributed both to the college library and to libraries of nearby schools as per requirement, ensuring that reading materials reach those who need them most.

Conclusion

The programme represents not only an act of charity but also a cultural movement—a collective endeavour to restore the value of books in the digital age. The enthusiasm and participation of students and faculty members reflected their commitment to nurturing an environment of

learning and generosity. The organizers extended heartfelt thanks to all contributors for making the event a success.
